1.1	<p><b>INT - MORNING - HOUSE - HALLWAY, BY FRONT DOOR</b> DRILL BOY stands aghast holding a bill that reads 'COUNCIL TAX - FINAL REMINDER £40,000!! Yes THAT MUCH!!!!' in scary red letters. (Some suggestions for HALLWAY decor. There are various swords on the wall. A picture of John Leslie on the wall, next to an identical picture of John Leslie, with a policeman's helmet crudely drawn in marker pen and 'MAGIC MAN!' written under it. Otherwise, go mental...) There is a rickety staircase with a burnt door set in its side, marked 'GET TAE FUCK!'</p>	<p>DRILL BOY Heavens to Betsy! GRILL!!</p>
1.2	<p>GRILL emerges from the door under the stairs. Tendrils of stench finger their way round the door frame - like an evil Bisto commercial. DRILL BOY visibly gags on the stink</p>	<p>GRILL Can you no' see I'm busy here?</p> <p>DRILL BOY Have you been paying the council tax like I asked you to?</p>
1.3	<p>Close up of the GRILL, looking shifty and sheepishly retreating back behind the door</p>	<p>GRILL Yes ... with the know-it-all box... where all the porn lives... like you said to...</p>
1.4	<p>DRILL BOY, rather uncharacteristically, grabs the door as GRILL is about to close it, shoving the bill in his face.</p>	<p>DRILL BOY So why do they think we owe them £40,000?!</p> <p>DRILL BOY And what IS that STENCH?!!!</p> <p>GRILL Shite it... follow me.</p>
1.5	<p><b>INT - BASEMENT STAIRCASE</b> DRILL BOY and GRILL descend the stairs to the basement.</p>	<p>GRILL It's a known fact that only paedophiles actually have to pay bills with money. So I've been er... investing a wee business idea instead...</p>

1.6	<p><b>INT - BASEMENT - TORCHLIT</b>            DRILL BOY and GRILL are in the cellar, clearly excavated from an old graveyard. Skeletons and old gravestones stick out from the walls. In the centre of the room are two notable objects. Firstly the primary source of the stink - a gigantic vat marked 'OFFAL - PROPERTY OF MICHAEL WINNER', overflowing with very rotten raw offal. Next to it is an enormous of still, currently bubbling away, distilling the evil liquor into bottles.</p>	<p>GRILL            CHEEKY BOY VODKA! Combines everyone's two favourite things - hard drinking and eating something's guts!</p> <p>DRILL BOY            And you spent £40,000 on this...?</p> <p>GRILL            Aye! Well, I spazzed a fair bit of it on mucky phone lines...</p>
1.7	<p>MEDIUM SHOT of GRILL holding up a bottle of the foul stuff, grinning. Bathed in the mephistic glow of the still and the noxious liquid within the bottle.</p> <p><b>***EASTER EGGY!***</b> Can we make the label of the bottle a clicky enlargy thing? To include the following elements  <b>-CHEEKY BOY VODKA Not fer cry-babies / mimsy types</b>  <b>Ingredients : Turps, rice, guts, the tears of a bereaved heron, pepper, soil, a bit of sick, further turps100% Manly! HOT FUSS!!</b></p>	<p>GRILL:            So we pay the council with this! There's NO WAY this can fail!!!</p>
1.8	<p><b>CLOSE UP - TV</b> It's the local news! The newsreader looks much like these cunts tend to, late 40's, well presented, but not quite bright enough to make it to ITN. Instead he's trapped in the regions, lungs filled with the stench of incest and recently sniffed glue. His name is PETER CHADHANDLE, we know this cos it says so on the screen, and from his telly-prison he announces the following, not so surprising news</p>	<p>Caption: The following day...</p> <p>PETER CHADHANDLE            Police are currently investigating the mysterious death by poisoning of every single employee and member of Twknnmshire County Council...</p> <p>DRILL BOY (VO)            Criminy...</p>

1.9	<p><b>INT - LIVING ROOM SOFA - (As Ep 1)</b> DRILL BOY and GRILL are bathing in the sickly glow of the television, surrounded by crates of Cheeky Boy Vodka, addressed to 'COUNCIL TAX SHITAPES, THE COUNCIL' . GRILL is enjoying a large measure of this evil, evil stuff, and we get the feeling he's enjoyed quite a few more prior to this.</p>	<p>DRILL BOY ... Will they still want paying?</p> <p>GRILL Doubt it... I haven't been paying the TV licence either, so... you know... just bear that in mind...</p> <p>PETER CHADHANDLE (VO) ... Forensics experts have found traces tainted hawk semen in a packet of Jaffa Cakes discarded in a nearby hedge...</p> <p>THE END!!!</p>
